M.I.T ENCLOSURES

MULTI • INSTALLATION • TECHNOLOGY

The all new M.I.T. enclosures from VIBE deliver extreme BASS in multiple mounting options.

The M.I.T. can be combined with the Raggarplanka with built in mounts and have the exact same width. This awesome unification delivers the loudest pre-built audio system in the world, only from VIBE.

OPTISOUND

OEM PLUG AND PLAY KITS

Fitment • Engineering • Performance

Scan to
find the
perfect kit
for your
vehicle

With the new OPTISOUND Plug and Play kits getting everything you need for your upgrade has never been easier! The OPTISOUND kits have been designed to leave no stone un-turned and giving everything required to fit your speakers easily and to optimise the sound performance!

Who? – The OPTISOUND Plug and Play kits are designed for the consumer who really wants better sound but doesn't want to modify their car. German Saloons, British hatchbacks and Italian super minis are all covered!

Why? – For better sound of course. The super efficient OPTISOUND speakers and Powerbox amplifiers within the kit gives enhanced volume and incredible levels of detail making this the best listening experience you will get from such an easy installation.

What? – The OPTISOUND Plug and Play kits come with all the fitting parts specific to your vehicle, as well as sound enhancing components such as sound deadening, wave diffusers and adjustable speaker baffles. These sound enhancing parts set the OPTISOUND speaker kits apart in ensuring that not only is installation made easy but we optimise the sound that we can produce from our award winning products in every installation.

RAPID FIT WIRING KITS : INSTALL YOUR BASS ENCLOSURE / AMPLIFIER IN UNDER 30 MINUTES

- With the modern car becoming more and more difficult to install into, we have had to think outside of the box to regrow our bass box market. The hardest part of adding a subwoofer is the installation and connection of the amplifier, with our new Rapid-Fit wiring kits the process is made very simple indeed.
- The new to market Rapid-Fit kits allow the installation of power direct from the interior vehicle fuse box. The high level signal input to the POWER BOX400.1M-V7 comes from the factory headunit, meaning there is no need to run cables through the vehicle firewall / bulkhead. This makes our bass enclosures compatible with factory systems as well as aftermarket headunits.
- The ISO Fit wiring kits make installing any VIBE bassbox the fastest we could imagine. When running at 4Ω only, the ISO fit kit can be fitted directly to an aftermarket head unit or with the use of a T Harness to a factory stereo with ease. The ISO harness gives out Power, Earth and Signal for direct connection to the POWERBOX400.1.

RAPAWK5M
5M Rapid Fit Wiring Kit

- Contents:
- 5m 16awg power cable
 - 1.5m 16awg earth cable
 - 5m Input cable
 - 20A supplied fuse rating
 - 30A max fuse rating

Best for : High power trunk installation

RAPAWK2.5M
2.5M Rapid Fit Wiring Kit

- Contents:
- 2.5m 16awg power cable
 - 1.5m 16awg earth cable
 - 2.5m Input cable
 - 20A supplied fuse rating
 - 30A max fuse rating

Best for : High power dash / underseat
installation

ISOAWK2M
2M ISO Fit Wiring Kit

- Contents:
- 2m 16awg power cable
 - 2m 16awg earth cable
 - 2m Input cable

Best for : Fastest dash installation

INSTALLATION ACCESSORIES

CL4AWKT-V7
4awg True Gauge Wiring Kit

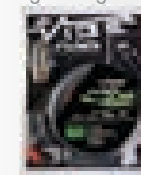

- Contents:
- 5m 4awg True Spec power cable
 - 1m 4awg True Spec earth cable
 - 5m Triple Shielded RCA Cable
 - 5m 18awg Remote Cable
 - 10m 12awg Speaker Cable
 - Mini ANL Fuseholder

CL8AWKT-V7
8awg True Gauge Wiring Kit

- Contents:
- 5m 8awg True Spec power cable
 - 1m 8awg True Spec earth cable
 - 5m Triple Shielded RCA Cable
 - 5m 18awg Remote Cable
 - 10m 12awg Speaker Cable
 - Mini ANL Fuseholder

VSAWK4-V1
SLICK 4awg Wiring Kit

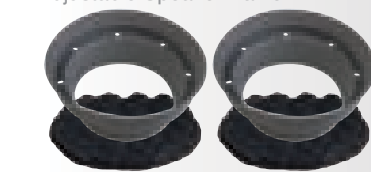

- Contents:
- 5m 2000w Power cable
 - 1m 2000w Earth cable
 - 5m Shielded RCA cable
 - 5m Remote cable
 - Inline 80a Mini ANL Fuseholder
 - 2 x 5m FLAT16SPK speaker cable

VSAWK8-V1
SLICK 8awg Wiring Kit

- Contents:
- 5m 1500w Power cable
 - 1m 1500w Earth cable
 - 5m Shielded RCA cable
 - 5m Remote cable
 - Inline 60a Mini ANL Fuseholder
 - 2 x 5m FLAT16SPK speaker cable

AVASP-V7
Adjustable Speaker Baffle

- Contents:
- 2 x Silicone speaker baffles
 - 2 x Sound absorbing foam

LOC4-V5
4 Channel Line Output Converter

- Contents:
- 4 channel line output converter
 - Gain adjustment for each channel
 - +12V Remote turn on output

LOC2-V5
2 Channel Line Output Converter

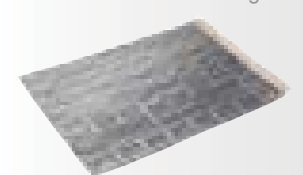

- Contents:
- 2 channel line output converter
 - Gain adjustment for each channel
 - +12V Remote turn on output

CLBC-V7
Bass Controller

- Contents:
- Inline RCA bass level controller

ANTIVIBESDBP-V6
AntiVIBE Sound Deadening

- Contents:
- 35pcs Sound deadening sheets
 - Butyl construction
 - 10.6" (270mm) x 14.6" (370mm)

CLTRT-V7
Trim Removal Tools

- Contents:
- 5pcs set of trim removal tools
 - Flexible ABS plastic
